**ACCENT on Arrangements-DMC
Names Meghan Sens Production Manager**

New Orleans, Louisiana (September 23, 2010) – ACCENT on Arrangements is pleased to announce that Meghan Sens has been promoted to the position of Production Manager. Prior to assuming this role, Sens served since 2008 with the company as a Production Assistant.

“My experience here at ACCENT has been priceless,” said Sens. “I truly enjoy the events industry, and I am ready to take on the responsibilities of my new position while continuing to provide our clients with top-notch service.”

Since joining ACCENT as an intern in 2007, Sens has produced more than 100 corporate, association and incentive programs including a successful welcome reception for 3,000 guests in January 2009. This summer, Sens increased her involvement in the meetings industry by becoming a member of Meeting Professionals International (MPI) after serving as a student member in 2009. Sens, is a lifelong resident of New Orleans, a graduate of Cabrini High School and attended University of Louisiana at Lafayette.

“We are thrilled to have Meghan in this new position,” said Diane Lyons CMP, DMCP - President of ACCENT on Arrangements, Inc. “Her enthusiasm, creativity and her attentive nature towards our clients is an asset to our team.”

About ACCENT on Arrangements, Inc.

Founded in 1991 by Diane B. Lyons, ACCENT on Arrangements, Inc. is a privately held corporation with the primary interest of planning, managing and supervising group activities to include spouse/guest programs, team-building activities, special events, entertainment and décor, transportation services, speaker programs, hospitality staff and VIP services, as well as children’s programs and events. Headquartered in New Orleans, ACCENT has a management team with more than 90 years of combined destination management experience. It is a proud member of the DMC Network, an LLC of the top-performing, wholly-owned DMCs throughout North America.
